231.205-70 External restructuring costs.

- (a) Scope. This subsection—
- (1) Prescribes policies and procedures for allowing contractor external restructuring costs when savings would result for DoD; and
 - (2) Implements 10 U.S.C. 2325.
- (b) *Definitions*. As used in this subsection:
- (1) Business combination means a transaction whereby assets or operations of two or more companies not previously under common ownership or control are combined, whether by merger, acquisition, or sale/purchase of assets.
- (2) External restructuring activities means restructuring activities occurring after a business combination that affect the operations of companies not previously under common ownership or control. They do not include restructuring activities occurring after a business combination that affect the operations of only one of the companies not previously under common ownership or control, or, when there has been no business combination, restructuring activities undertaken within one company. External restructuring activities are a direct outgrowth of a business combination. They normally will be initiated within 3 years of the business combination.
- (3) Restructuring activities means non-routine, nonrecurring, or extraordinary activities to combine facilities, operations, or workforce, in order to eliminate redundant capabilities, improve future operations, and reduce overall costs. Restructuring activities do not
